

# VIGILANCE

BY VARD™

**VARD™**  
a Fincantieri company

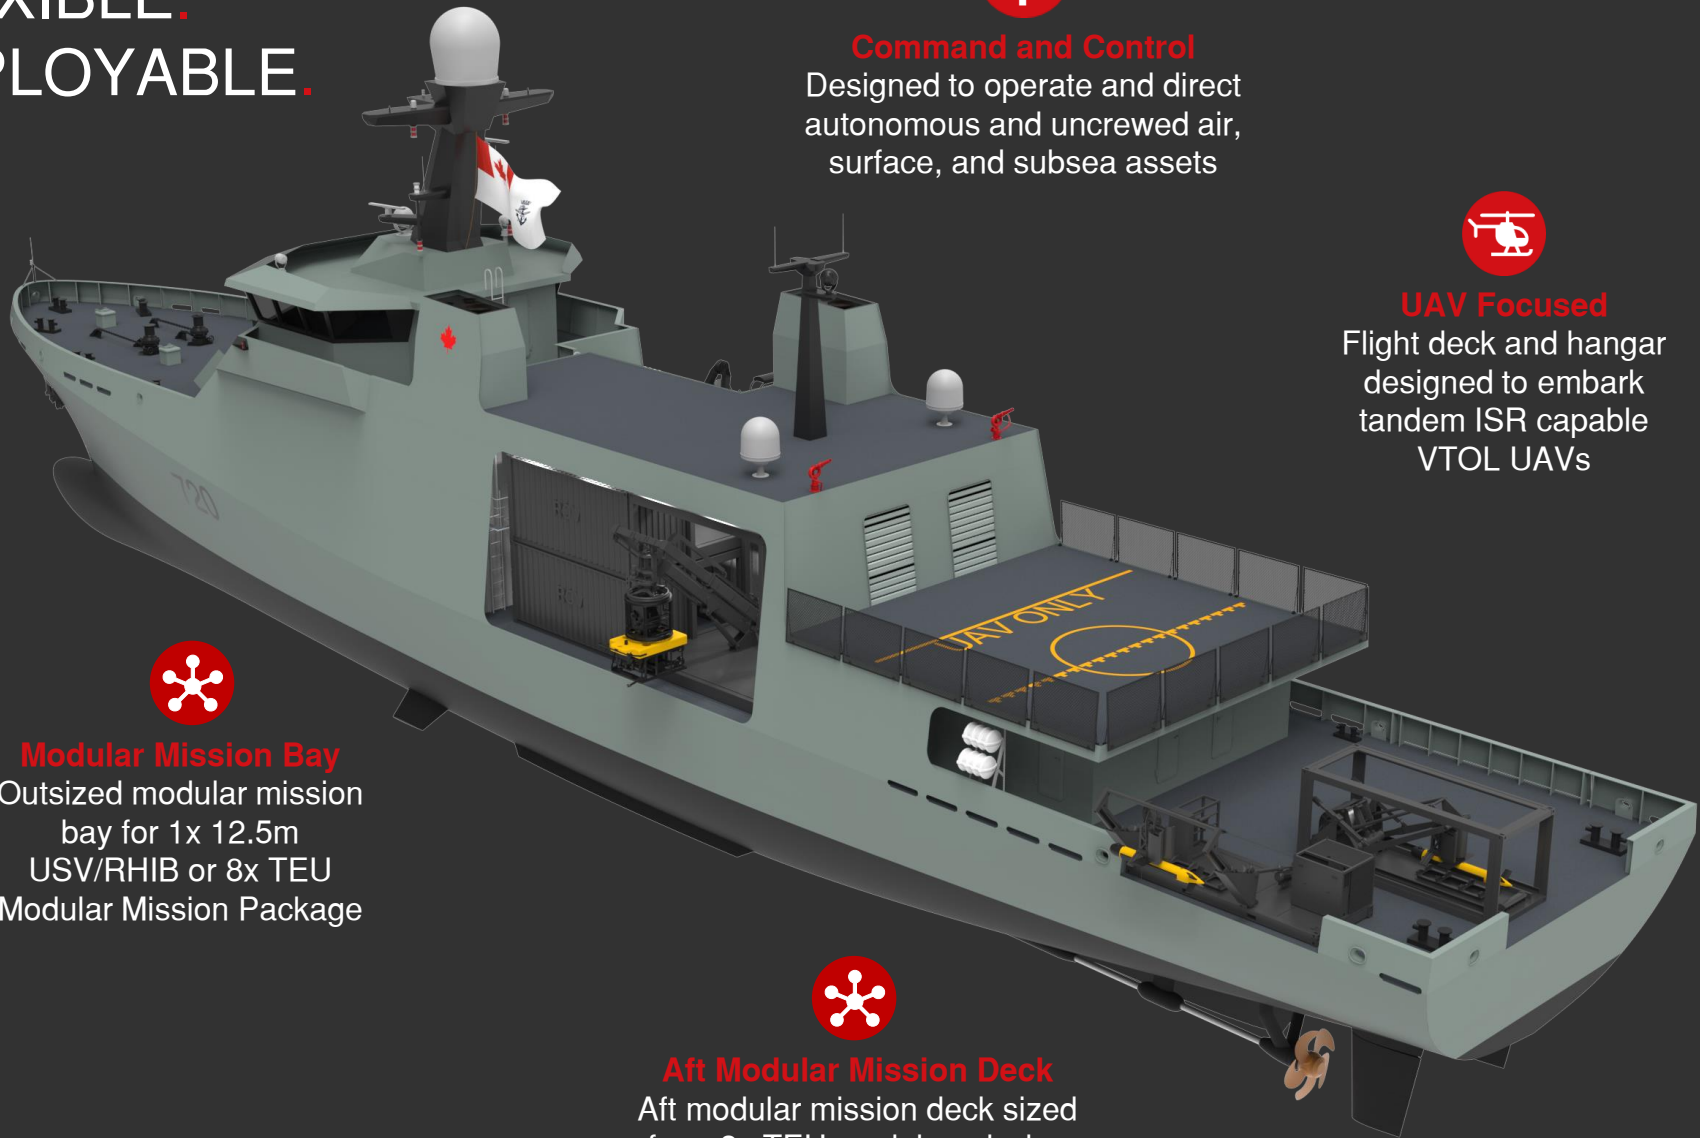

**THALES**  
Building a future we can all trust

 **HEDDLE  
SHIPYARDS**

  
**SH DEFENCE**

**FINCANTIERI**

**CAPABLE.**  
**FLEXIBLE.**  
**DEPLOYABLE.**

**Command and Control**  
Designed to operate and direct autonomous and uncrewed air, surface, and subsea assets

**UAV Focused**  
Flight deck and hangar designed to embark tandem ISR capable VTOL UAVs

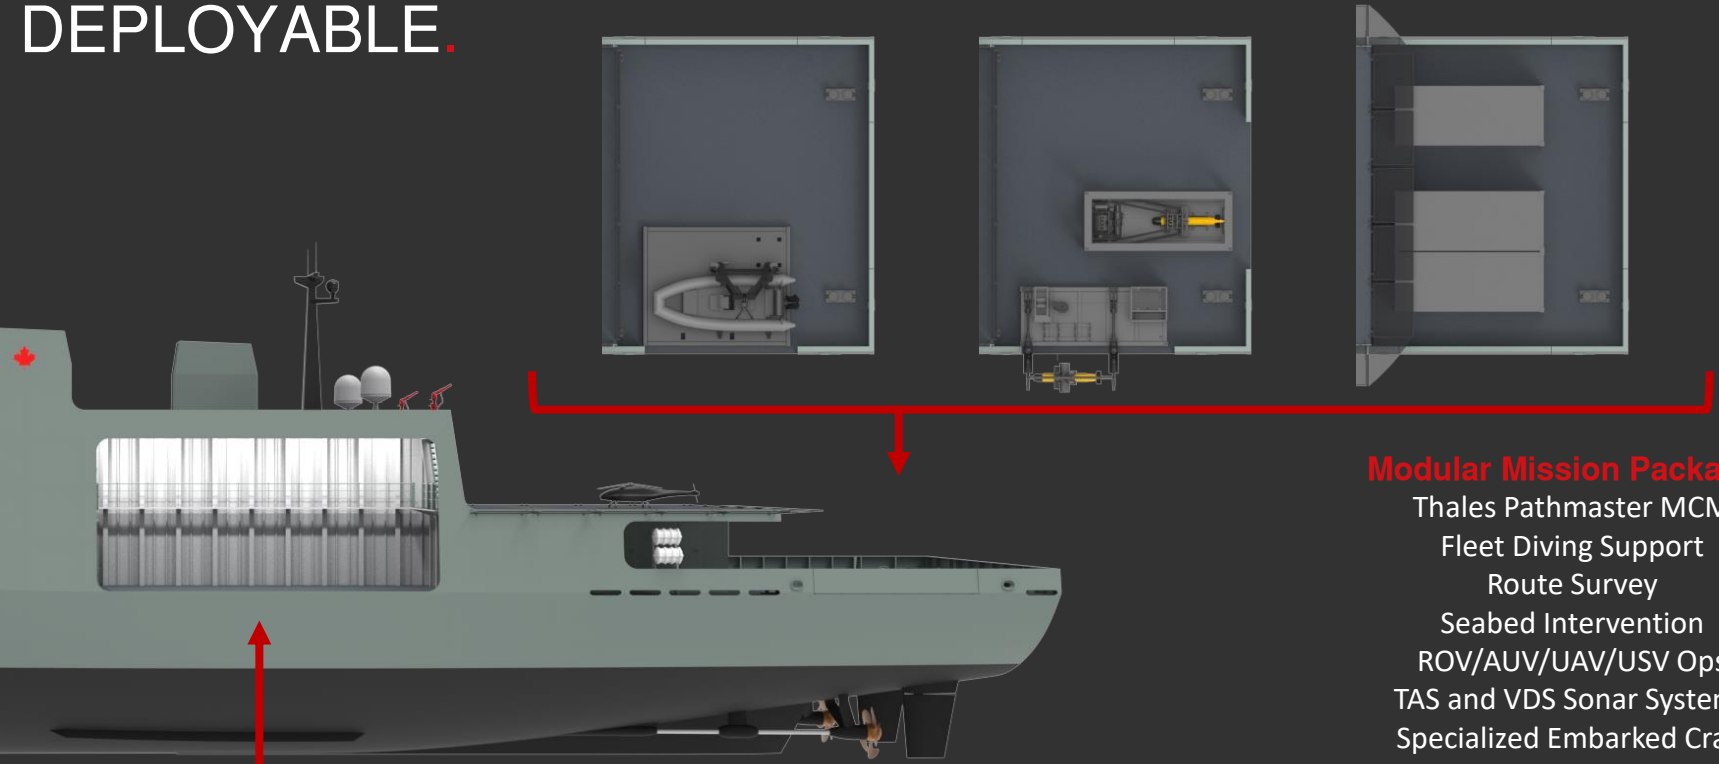

**Modular Mission Bay**  
Oversized modular mission bay for 1x 12.5m USV/RHIB or 8x TEU Modular Mission Package

**Aft Modular Mission Deck**  
Aft modular mission deck sized for a 3x TEU modular mission package or 2x TEU + Stern Ramp for 7m Naval RHIB

CAPABLE.  
FLEXIBLE.  
DEPLOYABLE.

TYPICAL MODULAR MISSION DECK LOADOUTS

Modular Mission Packages

- Thales Pathmaster MCM
- Fleet Diving Support
- Route Survey
- Seabed Intervention
- ROV/AUV/UAV/USV Ops
- TAS and VDS Sonar Systems
- Specialized Embarked Craft

TYPICAL MODULAR MISSION BAY LOADOUTS

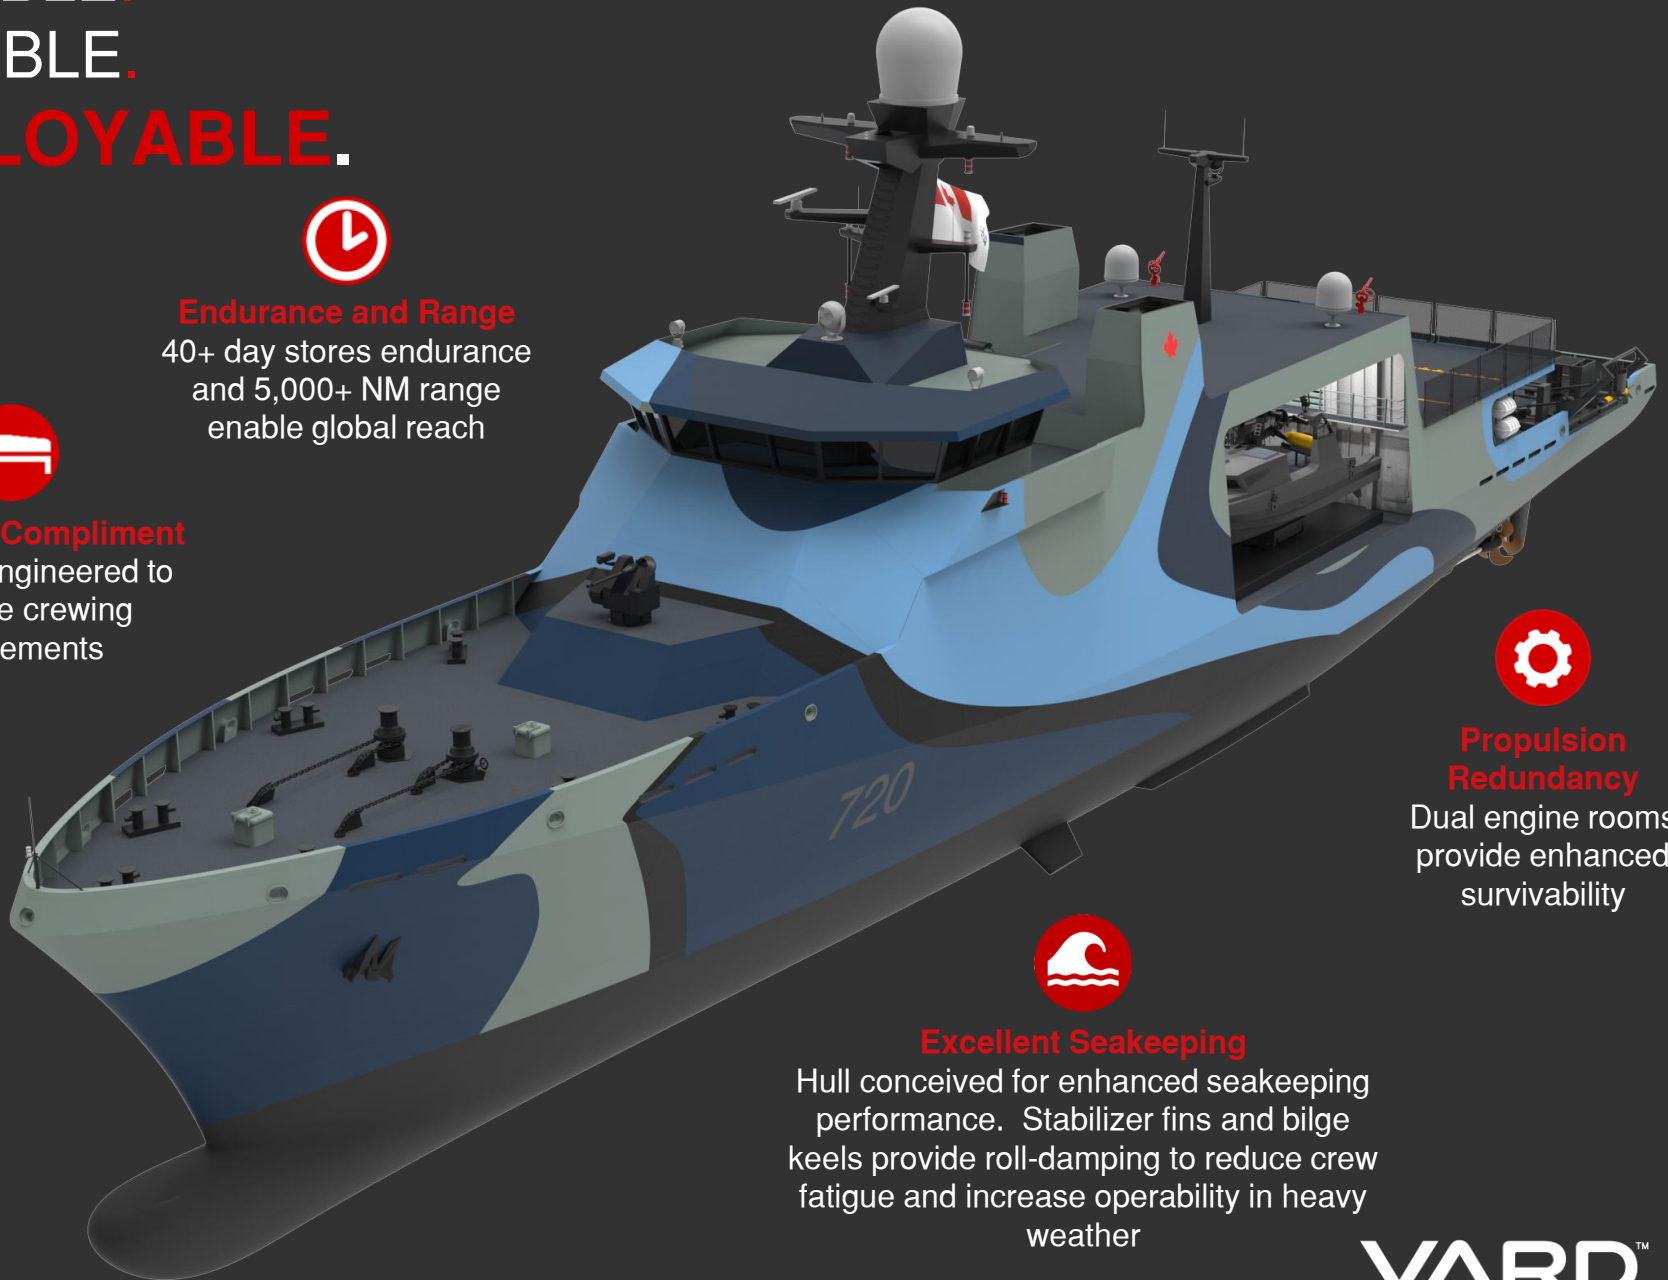

# CAPABLE. FLEXIBLE. DEPLOYABLE.

**Endurance and Range**  
40+ day stores endurance  
and 5,000+ NM range  
enable global reach

**Minimized Complement**  
Systems engineered to  
minimize crewing  
requirements

**Propulsion  
Redundancy**  
Dual engine rooms  
provide enhanced  
survivability

**Excellent Seakeeping**  
Hull conceived for enhanced seakeeping  
performance. Stabilizer fins and bilge  
keels provide roll-damping to reduce crew  
fatigue and increase operability in heavy  
weather
